

# Web Access

**A free service to new and current customers to help you manage your storage**

Since its establishment in 1972 ROC Relocations have built a sound reputation for service and reliability for our professional storage operation. We encourage all of our potential customers to view our facilities for peace of mind. Our aim is to provide you with the best service available, using new technology wherever it is an advantage. To this end we can provide you with web access to your storage inventories giving you control with total security. You can order your goods using the tried and tested 'shopping cart' method and search for your goods using searchable fields with the drop down menu. You no longer need to waste time typing out your order. Less mistakes, less work!
